**Supporting Narrative**

**Highlight**

Following a highly successful inaugural season, it is very pleasing that the Sitting Volleyball Mini-League will continue into a second year. The next fixture is scheduled to take place over the weekend of 29/30 April 2017, in Guernsey. It is hoped that the emergence of at least one new club in Hampshire will increase competition in 2017 and beyond.

**Lowlight**

I am delighted to say that, at the time of writing, there are no lowlights to report on this occasion.

**Next Steps**

Planning is underway to develop an invitation for free taster sessions that will be sent to schools and colleges in the New Year. The intention is to cascade it across the Hampshire footprint but anyone who is interested in taking advantage of the offer can contact me via the HVA 'Contact' facility or the HVA Facebook page.
